This little hideout by the Berkeley Public Library serves standout crepes, and walking in felt like I had stepped into a hole-in-the-wall type place in Paris.

~ Natalie W.

I don't have a single bad thing to say about Maison Bleue.

This is easily one of my favorite places to get coffee/breakfast in Berkeley. The menu is concise but brimming with great options, the staff is extremely friendly, and they make the best cappuccinos.

~ Nehal H.
